

# IAPP**Membership**

Learn about the many benefits of joining the IAPP

## The Value of Membership

The IAPP welcomes professionals like you from around the world who are thriving in today's information economy. It's the only place that brings together the people and resources you need to succeed in a data-powered world.

## Member Benefits

---

### Extended Network

You'll gain access to a community of thousands of professionals—like yourself—who are finding inspiration and ideas, working smarter and putting privacy on the map.

### **Career Boost**

You'll benefit from a wealth of information designed to keep you ahead of the curve on emerging issues. Get certified to raise your professional profile even further.

### **Members Only Content**

Get exclusive privacy-related content, expert analysis, legislative alerts and original reporting.

## **Get Access to These Great Tools**

---

## Resource Center

The Resource Center is a one-stop-shop for templates, forms, charts and checklists—it's everything you could possibly need to make your job easier, organized in one easy-to-find place.

---

## Local chapters

Meet other members in your area through your local KnowledgeNet Chapter. Meetings take place across the world. And best of all—they're free for members.

---

## Free web conferences

10+ free web conferences a year give you instant access to the latest and greatest in privacy—not to mention CPE credit! Plus, get discounted rates on hundreds of other live and on-demand programs.
